

**Advent 2025****"Peace in the Storm"**

Selected Passages (NIV)

December 7, 2025

The meaning of "peace" (shalom or eirene) in the Bible is more than just the absence of conflict; it is a deep sense of wholeness, well-being, and reconciliation with God. It is a deeper, more positive state than the world's definition, which often only considers the cessation of war or turmoil. This "divine peace" is an inner calmness and security that is not dependent on external circumstances. It speaks to a state of right relationship with God, with one another, and with creation.

**Jesus ushers in an era of true peace**

Luke 2:8–14; John 14:27

**- He shows us how to receive and retain peace**

Isaiah 26:3; Philippians 4:6–10
